

ACTIVE COMPLIANCE  
AND ETHICS GROUP

**ACTIVATE COMPLIANCE.  
SIMPLIFY RISK. ELEVATE INTEGRITY.**

**YOUR TRUSTED PARTNER IN ETHICS,  
COMPLIANCE & RISK MANAGEMENT**

### Why ACEG?

Ethics & Compliance shouldn't be a burden—it should be an asset. At ACEG, we take a practical, people-centered approach to ethics, compliance, and risk management. We help organizations **identify what matters most, streamline compliance efforts, and embed a culture where integrity and accountability drive success.**

In an era of **geopolitical shifts**, regulatory uncertainty, and economic disruption, organizations must proactively assess risks and adapt to new realities. From **supply chain disruptions and sanctions to trade policies and inflationary pressures**, businesses need **strong ethics and compliance frameworks** that help them navigate complexity with integrity and resilience. ACEG provides the insights, strategies, and tools to help you manage uncertainty, safeguard your reputation, and ensure long-term success.

**"We don't just advise—we help you activate compliance, making it a real driver of business success."**

Activate Compliance - Simplify Risk - Elevate Integrity

## Who We Are

ACEG is a boutique advisory firm specializing in **ethics, compliance, and risk management**. We bring decades of real-world experience to help organizations navigate complex regulatory landscapes, manage risks, and build cultures of integrity. **Unlike large consulting firms, we provide tailored, hands-on solutions—customized to fit your organization's unique needs and priorities.**

## Meet Our Founders

### **Marc Tassé – MBA, FCPA, FCA, FCG, CFF , FCPA (USA) ACEG - Chairman**

Marc is a globally recognized forensic accountant and expert in **corporate governance, financial crime, and risk management**. He has advised **corporate boards, regulatory bodies, and governments** on ethical leadership, integrity, and responsible business practices. As a **university professor and thought leader**, he bridges the gap between academic insights and real-world application, helping organizations strengthen financial integrity and governance.

### **Pat Poitevin – CACM, TASA ACEG - CEO**

With over **40 years of experience**, Pat is a recognized global expert in **developing and assessing ethics and compliance programs, leveraging AI and data analytics**, and implementing proactive risk management strategies. He has worked with public and private organizations to enhance their compliance frameworks, integrate emerging technologies, and drive sustainable ethics and compliance initiatives.

Our team's expertise ensures that your organization gets **practical, results-driven solutions**—not theoretical frameworks that don't work in real life.

**Risk Assessment  
& Due Diligence**

Management**

## Our Services

### ▶ Risk Assessment & Due Diligence

- Identify, prioritize, and mitigate risks efficiently.
- Ensure smart decision-making with data-driven insights.

### ▶ Ethics & Compliance Program Development

- Build practical, right-sized programs that fit your business.
- Avoid wasted time on ineffective policies—focus on what works.

### ▶ Training & Awareness

- Engage employees with interactive, role-specific training.
- Move beyond checkbox training—create real behavioral change.

### ▶ Speak-Up Culture & Investigations

- Foster an environment where employees feel safe to report.
- Strengthen internal investigations and case management.

### ▶ AI & Data Analytics in Compliance

- Support your organization in leveraging AI and analytics to improve compliance processes.
- Use data to monitor risks in real time, enhance efficiency, and reduce costs.

### ▶ Advisory & Coaching Services

- Provide direct support to executives, boards, and teams in making ethical, risk-based decisions.
- Offer one-on-one coaching or team-based advisory services to strengthen leadership in compliance and governance.

### ▶ E&C Culture Assessment & Transformation

- Evaluate and improve your organization's compliance culture.
- Build a risk-aware, ethics-driven workplace where integrity thrives.

### ▶ Due Diligence & Risk Management

- Strengthen decision-making by improving your due diligence framework.
- Implement effective risk assessment processes tailored to business needs.

## The ACEG Approach

### Practical. Proactive. People-Focused.

Through our **structured four-phase approach**, we assess challenges, design customized strategies, empower your teams, and ensure lasting success.

-  **Assess & discover** → To evaluate, analyze, and find something new or unknown
-  **Design & Customize** → Create and plan while modifying to fit specific needs.
-  **Implement & Empower** → Execute actions to enable growth, confidence, and capability.
-  **Sustain & Optimize** → Maintain stability while improving efficiency and overall performance.

We don't just provide advice—we work with you to **activate compliance, simplify risk, and build a resilient organization.**
